Rosa:

On Monday, July 28, 2014, Michael Vickers and I went to Memphis, TN. There, we met with several key people that will join the business and would like to help us launch the Memphis market.

As you may recall, you expressed an interest and commitment to support any efforts to grow our team into the Memphis area. Currently, you have committed to come to Little Rock on Thursday, August 21, 2014 with your Bentley for the BOM. We would propose to replace this current commitment with a new one. We would like to have what we would call a Super Launch in the Memphis market area on Monday, August 18, 2014 at 7:00 pm. This would include you and the Bentley, maybe Kwame Gibson, and Kathy Nealy all as our featured guests. We have already acquired a facility. With proper marketing and advanced notice, our goal would be to have at least 100 guests. This event would then be followed on Tuesday, August 19, 2014 in Little Rock for a Super Tuesday night BOM with the same group. We believe these two events will go a long way to reignite Team Rock Nation in Little Rock and launch the Memphis market.

In short Rosa, we need your help. Today, Michael spoke to your assistant, April, to share some of the details.

Your consideration and agreement as soon as possible would be greatly appreciated. Remember, Rosa, the battle is not over!!!

Thanks,

Bill Walker, National Director
