Sources: Demographic information was collected during application process through Federal Marketplace, DHS's automated eligibility system, and applications to the DHS Division of County Operations. Medical frailty status, enrollment totals and QHP selection information are from the Private Option portal, insureark.org, and the Medicaid Management Information System (MMIS).

Notes:
 *For those determined eligible on or after April 13, the self-enrollment web portal InsureArk.com was still open beyond the run date for this report (May 23, 2014). Some individuals included in this report as eligible for Private Option expansion coverage may be determined medical frail, receive enrollment assistance from a broker, and/or make their own selection of a QHP after the closing date for this report.
 **Some demographic information used in eligibility determinations was not successfully matched to Private Option enrollment and QHP selection information in preparation of this report. Percentages exclude such records.
