RE: Freedom of Information Request

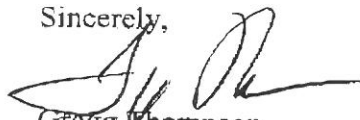

Dear Mr. Brantley,

We have received a request from you pursuant to the Arkansas Freedom of Information Act, codified at Ark. Code Ann. § 25-19-101 et. seq., to receive certain documents maintained by the District regarding the employment of Brad Bolding with the District. After initial examination of the applicable law, it appears that the requested information is not subject to disclosure under the FOIA.

As required by A.C.A. § 25-19-105(3)(B)(i), we have mailed a notification of this request to Brad Bolding and we must allow a reasonable time for him to seek an opinion on the release of these records from the Attorney General's office. Following receipt of this opinion, or if no opinion is requested within the time period allowable for the submission of said request, the District will make its final decision regarding release of the requested information and you will be notified.

Should you have any questions or comments concerning this matter, please do not hesitate to contact me.

Sincerely,

Gregg Thompson
Executive Director of Human Resources
